

worked together to design Harbour Town Golf Links in Hilton Head, South Carolina, Whistling Straits in Kohler, Wisconsin, and the TPC Sawgrass, with its famous par-3 17th hole with an island green, in Ponte Vedra Beach, Florida. Through her success on the greens and the remarkable course designs, Alice was relentlessly dedicated to ensuring that women players were not forgotten and is credited as the champion for the two tee system that made formidable courses more playable for women.

Alice's work is a true testament to her outstanding career and selfless contributions. Alice served the sport by becoming the first woman president of the American Society of Golf Course Architects in 1997 and the first woman to serve as an independent director of the PGA of America in 1999. She was honored with numerous awards and accolades, including being inducted into the Indiana Golf Hall of Fame in 1976 and was voted PGA's First Lady of Golf in 2004.

In her personal life, Alice was known as a loving mother. She truly loved the sport and the fairways became one of her favorite places to go with her family and close friends. Born and raised in Indianapolis, she worked to bring affordable junior golf programs to youth of all backgrounds through the establishment of The First Tee of Indiana. Children of all ages can practice their swings on four 9-hole courses, named in their honor, at the Pete & Alice Dye Golf Experience, part of the Sports Legend Experience at the Children's Museum of Indianapolis. Over the years, Alice's passion for golf has inspired countless individuals and her leadership as the First Lady of golf architecture has left a remarkable legacy.

Alice will be forever missed by her family, friends, colleagues, and the entire golf community. On behalf of Indiana's Fifth Congressional District, I extend my deepest condolences to Alice's husband, Pete, her son, Perry, and his wife, Ann, her son, P.B., and his wife, Jean, her two grandchildren, her two great grandchildren, and to her entire extended family and the friends who mourn her loss.

OF CALIFORNIA

IN THE HOUSE OF REPRESENTATIVES

Thursday, May 23, 2019

Mr. DeSAULNIER. Madam Speaker, I rise today to recognize the life and service of long-time Walnut Creek resident, Mr. Frank Bryant.

Frank was born on April 24, 1936 in Elko, Nevada to parents Howard and Charlotte Bryant. After his family moved to California, Frank attended San Jose State University before settling in Walnut Creek with his wife Susan. Frank and Susan resided in Walnut Creek for over 50 years. Throughout this time, Frank was deeply committed to serving the East Bay community.

An architect by trade, Frank designed several commercial and residential buildings throughout Walnut Creek. A strong partner with the City of Walnut Creek, Frank designed a community theater and renovated an East Bay landmark, the Borges Ranch House.

Frank also used his architectural expertise in his positions on the Walnut Creek Design

Review Commission, the Civic Arts Association, and the Walnut Creek Planning Commission. As a further testament to his commitment to the community, Frank was a founding member and the first president of the Kennedy-King Memorial College Scholarship Fund, an organization that pays tribute to two American heroes while helping provide students access to educational opportunities.

Please join me in honoring Frank Bryant, whose devotion to public service had a profound impact on his community.

IN RECOGNITION OF THE TRADI-
TION OF BREAKFAST ON THE
FARM IN BROWN COUNTY

HON. MIKE GALLAGHER

OF WISCONSIN

IN THE HOUSE OF REPRESENTATIVES

Thursday, May 23, 2019

Mr. GALLAGHER. Madam Speaker, I rise today to recognize the tradition of Breakfast on the Farm in Brown County.

Breakfast on the Farm is an iconic Wisconsin tradition that provides the community an opportunity to see first-hand how a dairy farm operates, and to learn about the significant role the dairy industry plays in Wisconsin's economy. Community members meet dairy farmers, explore the barns and equipment, and enjoy a delicious meal prepared on the farm.

In 1997, Dennis and Mary Zirbel moved from Collins, WI, to establish DenMar Acres, their dairy farm in Greenleaf, WI. Their sons Jeremy, Jeff, and Jesse are partners on the farm where the family milks 950 cows and manages 1,900 acres. Always pursuing innovative practices, DenMar Acres implements advanced technologies such as the Juno robot Feed Pushers, to help increase yields and improve efficiency on their farm. I am grateful to DenMar Acres for hosting the 2019 Brown County Breakfast on the Farm.

Brown County Dairy Promotion has been organizing Breakfast on the Farm since 2001, recruiting farm hosts, sponsors, and volunteers to support this terrific event. To continue the promotion of agriculture throughout the year, all proceeds of Breakfast on the Farm are donated to provide free educational programs to students studying agriculture in Brown County.

Madam Speaker, I urge all members of this body to join me in commending the efforts of Breakfast on the Farm to educate the community through this time-honored tradition. Thank you to the Zirbels, Brown County Dairy Promotion, and the countless sponsors and volunteers for their continued support of Wisconsin's dairy industry.

RECOGNITION FOR VIRGINIA
DEANGELIS, PH.D.

HON. KEVIN MCCARTHY

OF CALIFORNIA

IN THE HOUSE OF REPRESENTATIVES

Thursday, May 23, 2019

Mr. MCCARTHY. Madam Speaker, I rise today to honor Dr. Virginia DeAngelis for her life of work and service to our community. Jinny is stepping down as the Chief Executive

Officer of Desert Area Regional Training (DART), an organization that advocates for, and employs, people with disabilities in Ridgecrest, California, which I represent.

Jinny was born and raised in Wisconsin, graduating cum laude from the University of Wisconsin, Stevens Point, and later obtained her Master's degree and Doctorate in Business Administration, with an emphasis in Organizational Leadership. After all those years in the cold Midwest, Jinny wanted warmer weather, eventually bringing her to the community of Ridgecrest. She taught at the Sierra Sands Unified School District, educating future generations and inspiring them to become the next leaders of our community. In 1993, she started as a Case Manager for DART, and through her hard work as an industrious champion for people with disabilities, she was deservedly appointed CEO in 2003.

As an executive, Jinny continued to dedicate her energy to serving our local community, managing and guiding the development of DART's mission and facilities, all while simultaneously advocating for people with disabilities. DART has managed and operated a thrift store, providing an opportunity for employment for many people with disabilities in Ridgecrest. Because of the generosity in our community, DART recently had to open a new, bigger location that allowed for more space in the shop and greater work experience.

Jinny's presence in our community has been prolific; she serves on multiple boards and volunteers her time for many local organizations, including the Rotary Club of China Lake, Girl Scouts USA, and Ridgecrest Mayor Peggy Breeden's Special Committee on the Handicapped for the City of Ridgecrest. Jinny is a true believer in the power of education and has lent her expertise to others in Kern County through her work with the Autism Task Force in Kern County and the Kern Community College District Adult Education Consortium. For her service and dedication to people with disabilities, she has received many awards, including Rotarian of the Year in 2014, 2015, and 2016.

On behalf of the constituents of the 23rd Congressional District of California, I applaud Jinny for her over 40 years of dedication, hard work, and service to educating and advocating on behalf of people with disabilities. I wish her well as she embarks on the next chapter in her life.
